

8022 AllroundWork, POLARTEC® Fleece Jacket

Lightweight fleece jacket made of advanced high-loft POLARTEC® polyester fleece for great insulation and a soft feel. The fabric contains 80% recycled polyester, making this smooth and comfortable garment a functional and sustainable choice. The jacket features a thumb hole at sleeve ends, three zippered pockets and a drawstring at bottom hem for optimal fit. Works perfectly both as a mid and outer layer.

- POLARTEC® recycled fleece
- Zipped hand pockets and chest pocket
- Drawstring at bottom hem
- Thumb holes at sleeve ends
- Tone-on-tone zippers

Material: 100% Polyester POLARTEC®, 195 g/m².
